Dear Shareholder,

NOTICE OF ANNUAL GENERAL MEETING 2018

I am pleased to enclose the Notice of Meeting for the twenty-fourth Annual General Meeting (AGM) of Communis plc (the Company), together with a copy of the Company's Annual Report and Financial Statements for the year ended 31 December 2017 and the Form of Proxy.

The AGM is to be held at 12 noon on Thursday, 10 May 2018 at the offices of Eversheds Sutherland LLP, 1 Wood Street, London EC2V 7WS.

The AGM provides an opportunity for the Company's shareholders to communicate with the Directors and I sincerely hope that you will take this opportunity to do so. However, I appreciate that most shareholders will not be able to attend the meeting in person. If you cannot attend, I strongly encourage you to exercise your right to vote by appointing a proxy.

To appoint a proxy, please either a) complete the Form of Proxy according to the instructions printed on it and send it to our Registrar, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU, or b) complete it online at www.signalshares.com by following the online instructions.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. The return of a completed Form of Proxy or any CREST proxy instruction will not prevent you from attending the AGM and voting in person should you wish.

All proxy instructions must be received by 12 noon on Tuesday, 8 May 2018.

MEETING ARRANGEMENTS

As in previous years, all the resolutions in the Notice of Meeting will be decided on a poll. We believe this is fair and democratic and means that shareholders who attend the meeting, as well as those who vote by proxy, will have their votes taken into account according to the number of shares they hold. The results of the poll will be announced through the London Stock Exchange information service and will appear on our website www.communis.com/investors.

RECOMMENDATION

The Directors consider that the resolutions in the Notice of Meeting are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of these resolutions, as they intend to in respect of their own beneficial shareholdings, totalling 598,200 ordinary shares, representing approximately 0.29% of the issued ordinary share capital of Communis plc as at 19 March 2018.

Yours sincerely,

David Gilbertson
Chairman

 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary,

The authorities conferred on the directors to allot securities under paragraphs (a) and (b) will expire on the date of the AGM of the Company to be held in 2019 or on 31 July 2019 whichever is sooner, unless previously revoked or varied by the Company, and such authority shall extend to the making of an offer before such expiry and the Directors may allot relevant securities in pursuance of that offer or agreement as if the authority conferred hereby had not expired.

DIRECTORS' AUTHORITY TO DIS-APPLY PRE-EMPTION RIGHTS AND TO ALLOT SHARES FOR CASH (RESOLUTIONS 12 AND 13)

12. - (b) the allotment of equity securities or sale of treasury shares (otherwise than pursuant to sub-paragraph (a) of this Resolution 12) to any person or persons up to an aggregate nominal amount of £2,621,264 (being approximately 5% of the issued ordinary share capital of the Company as at 19 March 2018),

such authority to expire at the conclusion of the next AGM of the Company to be held in 2019 or on 31 July 2019 whichever is sooner, save that the Company before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Board may allot equity securities in pursuance of such an offer or agreement as if the power conferred hereby had not expired.

 - (ii) an amount equal to the higher of the price of the last independent trade and current independent bid as derived from the London Stock Exchange trading system; and
 - (d) the authority to purchase conferred by this resolution shall, unless renewed, varied or revoked prior to such time, expire at the end of the AGM in 2019, provided that the Company may, before such expiry, make a contract to purchase its own shares which would or might be executed wholly or partly after such expiry, and the Company may make a purchase of its own shares in pursuance of such contract as if the authority conferred hereby had not expired.

CALLING OF GENERAL MEETINGS ON 14 DAYS' NOTICE

15. That, as permitted by Section 307A of the Act, any general meeting of the Company (other than the AGM of the Company) may be called by notice of at least 14 clear days. The authority granted by this resolution shall expire at the conclusion of the AGM of the Company to be held in 2019.

- (a) the present Article 113 of the Company's Articles of Association be deleted and replaced with a new Article 113 in order to confirm that the limit on Directors' powers to incur borrowings of the Company is not, without the previous sanction of an ordinary resolution of the Company, to exceed an amount equal to the higher of £150,000,000 and an amount equal to two times the Adjusted Capital and Reserves (as defined in the Articles of Association); and
 - (b) the Articles of Association set out in the document produced to this Meeting and signed by the Chairman of the Meeting for the purpose of identification be and are hereby approved and adopted as the Articles of Association of the Company in substitution for and to the exclusion of the Company's existing Articles of Association.

EXPLANATORY NOTES

AN EXPLANATION OF EACH OF THE RESOLUTIONS IS SET OUT BELOW.

RESOLUTION 1 – TO RECEIVE THE ANNUAL REPORT AND FINANCIAL STATEMENTS

The Directors will present their report, the auditor's report and the audited financial statements for the financial year ended 31 December 2017 to the meeting. This gives shareholders the opportunity to ask questions on the contents before voting on the resolution.

RESOLUTION 2 – APPROVAL OF THE DIRECTORS' REMUNERATION REPORT

The Directors will put the Directors' Remuneration Report to the meeting. Shareholders will have the opportunity to ask questions on the contents of the Directors' Remuneration Report before voting on the resolution. Whilst the payment of remuneration to the Directors is not dependent on the passing of the resolution, your Board will take the vote into account when considering the future development and operation of the Company's remuneration policy and practice.

RESOLUTION 3 – FINAL DIVIDEND

The Directors propose a final dividend of 1.77 pence per ordinary share. If approved, the recommended final dividend will be paid on 18 May 2018 to all shareholders who are on the register on 20 April 2018.

RESOLUTION 4 – ELECTION OF DIRECTOR

Steve Rawlins, who was appointed as a Director since the last AGM, is standing for election. The Directors recommend that Steve Rawlins is elected by shareholders to maintain the appropriate balance of skills, knowledge and experience on the Board. Biographical details relating to Steve Rawlins can be found in the Annual Report and Financial Statements for the year ended 31 December 2017.

RESOLUTIONS 5 TO 8 – RE-ELECTION OF DIRECTORS

The Company's Articles of Association state that one-third of the Directors (excluding Directors appointed by the Board since the last AGM, all of whom retire at the AGM following their appointment) must retire by rotation each year, though they may offer themselves for re-election. However, in accordance with market practice and corporate governance, this year all Directors (with the exception of Helen Keays) are retiring and seeking re-election. Following a formal evaluation process during the year, it was determined that each Director continues to be an effective member of the Board and demonstrates commitment to the role. Biographical details relating to each Director can be found in the Annual Report and Financial Statements for the year ended 31 December 2017. As announced on 8 March 2018, Helen Keays will be standing down from the Board on 6 June 2018 and therefore will not be offering herself for re-election at this year's AGM.

RESOLUTIONS 9 AND 10 – RE-APPOINTMENT AND REMUNERATION OF AUDITOR

The Company's auditor must be appointed each year at the AGM. Resolution 9 proposes that the Company retain Ernst & Young LLP as its auditor to hold office until the next AGM. Resolution 10 authorises the Audit Committee of the Board to determine the auditor's remuneration.

RESOLUTION 11 – RENEWAL OF THE POWERS OF THE BOARD TO ALLOT SHARES

Paragraph (a) of this resolution would give the Directors the authority to allot ordinary shares in the Company up to an aggregate nominal amount equal to £17,475,094 (representing 69,900,379 ordinary shares of 25p each). This amount represents approximately one-third of the Company's issued share capital as at 19 March 2018, the latest practicable date before the publication of this Notice of Meeting.

In line with guidance issued by the Association of British Insurers, paragraph (b) of Resolution 11 would give the Directors authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £34,950,189 (representing 139,800,758 ordinary shares), as reduced by the nominal amount of any shares issued under paragraph (a) of this resolution.

This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital of the Company as at 19 March 2018, the last practicable date before the publication of this Notice of Meeting.

The authorities under paragraphs (a) and (b) of this resolution will expire on the date of the AGM in 2019 or on 31 July 2019, whichever is sooner.

The Directors have no present intention to exercise either of the authorities sought under this resolution, except, under paragraph (a), to satisfy options under the Company's share option schemes, but the Board wishes to ensure that the Company has maximum flexibility in managing the Group's capital resources and it is possible that the Company may decide to offer shares in the future (for example, to finance corporate acquisitions). As at the date of this Notice of Meeting, the Company held no shares in treasury.

EXPLANATORY NOTES continued

AN EXPLANATION OF EACH OF THE RESOLUTIONS IS SET OUT BELOW. Continued

RESOLUTIONS 12 AND 13 – DIRECTORS' AUTHORITY TO DIS-APPLY PRE-EMPTION RIGHTS AND TO ALLOT SHARES FOR CASH

Section 570 of the Act gives all shareholders the right to participate on a pro rata basis in all issues of equity shares unless they agree that this right should be excluded or restricted. The effect of Resolutions 12 and 13 will be to give the Directors authority to allot ordinary shares in the capital of the Company (pursuant to the authority granted under Resolution 11 above) for cash without complying with the pre-emption rights in the Act in limited circumstances.

This disapplication authority is in line with institutional shareholder guidance, and in particular with the Pre-Emption Group's Statement of Principles (the Pre-Emption Principles). The Pre-Emption Principles were revised in March 2015 to allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority over 5% of a company's issued share capital for use on an unrestricted basis; and (ii) an additional authority over a further 5% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or has taken place in the six-month period preceding the announcement of the issue.

Resolutions 11 and 12 will together permit the directors to allot:

- (a) equity securities up to a nominal amount of £34,950,189, representing two-thirds of the Company's issued share capital on an offer to existing shareholders on a pre-emptive basis (that is, including a rights issue or an open offer), with one-third being available only in connection with a rights issue (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the Directors see fit); and
- (b) equity securities up to an aggregate nominal value of £2,621,264, which represents 5% of the issued ordinary share capital of the Company as at 19 March 2018 (being the last practicable date prior to publication of this document) otherwise than in connection with a pre-emptive offering to existing shareholders.

Resolutions 11 and 13 will together permit the Directors to allot additional equity securities up to a maximum value of £2,621,264, representing a further 5% of the issued ordinary share capital of the Company otherwise than in connection with a pre-emptive offer to existing shareholders for the purpose of financing a transaction (or refinancing within six months of the transaction) which the Directors determine to be an acquisition or other capital investment as contemplated by the Pre-Emption Group's Statement of Principles. The Directors believe that it is appropriate to seek this additional 5% authority in Resolution 13 to give the Company the flexibility that this resolution affords.

The Directors have no present intention of exercising these authorities to issue ordinary shares. Were the Board to exercise these authorities, it confirms that it will make disclosures in the announcement regarding the issue, and in the subsequent Annual Report, such as those contemplated in the Pre-Emption Group guidance issued in May 2016.

The Directors confirm that, in accordance with the Pre-Emption Group's Statement of Principles, it does not intend to issue shares for cash representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period to those who are not existing shareholders (except in relation to an issue pursuant to Resolution 13) without prior consultation with shareholders.

The authorities contained in Resolutions 12 and 13 will expire upon the authority to allot shares conferred in Resolution 11, being the date of the AGM in 2019 or on 31 July 2019, whichever is sooner.

RESOLUTION 14 – AUTHORISATION FOR THE COMPANY TO PURCHASE ITS OWN SHARES

Resolution 14 seeks authority for the Company to make market purchases of its own ordinary shares. In accordance with the Investment Association Guidelines, the Directors undertake that such authority will only be used if to do so would result in an increase in earnings per share and be in the best interests of shareholders generally. Any shares purchased in this way would be either subsequently cancelled, and the number of shares in issue accordingly reduced, or held as treasury shares. Under Section 724 of the Act, the Company may hold shares purchased as treasury shares, rather than treat them as cancelled.

You are asked to consent to the purchase by the Company of up to a maximum of 20,970,113 ordinary shares which represents 10% of the Company's issued ordinary share capital as at 19 March 2018. The price payable shall not be more than 105% of the average market value for the ordinary shares for the five business days before the purchase is made and in any event not more than the higher of the price of the last independent trade and current independent bid as derived from the London Stock Exchange trading system. The minimum price which may be paid for any ordinary share is 25p. This authority will expire at the end of the AGM in 2019.

As noted in the Directors' Report in the Annual Report and Financial Statements, there is no present intention to exercise this authority in the foreseeable future.

The total number of options to subscribe for ordinary shares outstanding as at 19 March 2018 was 9,578,559 representing 4.57% of the issued ordinary share capital of the Company at that date. If the authority to buy back shares under this resolution were exercised in full, the total number of options to subscribe for ordinary shares outstanding as at 19 March 2018 would, assuming no further ordinary shares were issued after that date, represent 5.08% of the issued ordinary share capital.

RESOLUTION 15 – NOTICE OF GENERAL MEETINGS

Section 307A of the Act provides that, if certain conditions are met, a general meeting (other than an AGM) may be called on not less than 14 days' notice, rather than at least 21 days' notice. One of those conditions is that the giving of the shorter notice should have been authorised by a general meeting. The Directors consider that it is in the best interests of the Company and its shareholders for it to be possible, if circumstances make it desirable, for a general meeting (other than an AGM) to be convened on the shortest notice allowed by law. Accordingly, if passed, Resolution 15 will authorise the Directors to call any general meeting of the Company (other than an AGM) by notice of at least 14 clear days provided the other statutory condition (affording the means to vote electronically) is also met. The Board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time-sensitive and whether it is thought to be to the advantage of shareholders as a whole. If granted, this authority will expire at the conclusion of the AGM of the Company to be held in 2019, at which it is intended that a similar resolution will be proposed.

RESOLUTION 16 – COMPANY'S BORROWING POWERS – CHANGES TO ARTICLES OF ASSOCIATION

Resolution 16 proposes to amend Article 113 of the Company's Articles of Association in order to confirm that the limit on Directors' powers to incur borrowings of the Company is not, without the previous sanction of an ordinary resolution of the Company, to exceed an amount equal to the higher of £150,000,000 and an amount equal to two times the Adjusted Capital and Reserves (as defined in the Articles of Association). The current fixed limit was last changed in 2010 and restricted borrowings to five times the Adjusted Capital and Reserves. The Board considers that it is prudent to refresh the borrowing limit in order to reflect current best practice and that the proposed restriction is sufficient and appropriate for the Company's borrowing powers which will in any event be subject to restrictions imposed by the Company's lenders.

A copy of the proposed amended Articles of Association that reflect the above change will be available at the AGM on 10 May 2018. A copy will also be available for inspection at the Company's registered office at Communisis House, Manston Lane, Leeds, LS15 8AH and at the office of Eversheds Sutherland LLP, 1 Wood Street, London EC2V 7WS during usual business hours until the date of the AGM.

2. ENTITLEMENT TO ATTEND AND VOTE AND TO ASK QUESTIONS

- (a) The right to vote at the meeting is determined by reference to the Register of Members. Pursuant to Section 360B of the Act, the Company specifies that only those members entered on the Company's Register of Members at 18.00 on 8 May 2018 are entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
- (b) If you have sold or transferred all of your shares, this booklet and any accompanying documents (but not the personalised Form of Proxy) should be passed to the person through whom the sale or transfer was made for transmission to the purchaser or transferee.

- (d) In accordance with section 319A of the Act, a member entitled to attend the meeting and who does so is entitled to an answer to any question(s) he or she asks (whether before or at the meeting) relating to the business being dealt with at the meeting unless (a) the answer has already been provided on a website or (b) the provision of an answer would interfere unduly with the preparation for the meeting, involve the disclosure of confidential information or be undesirable in the interests of the Company or the good order of the meeting. If reasonably practicable, all questions asked will be answered before the end of the meeting. However, it may occasionally be necessary to provide an answer in writing after the meeting. If that proves to be necessary, the Chairman will so advise the meeting and the question and answer will be posted on the Company's website at the address given above in Note 1 under the heading "Availability of information on a website".
- (e) A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend, speak and vote instead of him or her. A proxy need not be a member of the Company. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this Notice of Meeting.
- (f) Completion and return of a Form of Proxy will not preclude a member from attending and voting at the meeting in person, should he or she subsequently decide to do so.
- (g) You can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy. If you do not have a Form of Proxy and believe that you should have one, please contact the Company's Registrar, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU, or call 0871 664 0300; calls cost 12p per minute plus your phone company's access charge. If you are outside the United Kingdom, please call +44 371 664 0300. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09.00 and 17.30, Monday to Friday excluding public holidays in England and Wales. If you require additional forms, you may photocopy the Form of Proxy indicating on each copy the name of the proxy you wish to appoint and the number of shares in respect of which the proxy is appointed. All forms must be signed and should be returned to Link Asset Services in the same envelope. Please also indicate, by ticking the box provided, if the proxy instruction is one of multiple instructions being given.
- (h) In the case of joint holders, where more than one joint holder purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).

3. NOMINATED PERSONS

- (a) If you are not a member of the Company but you have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in the “Appointment of Proxies” section in Note 4 below.
- (b) If you are a person who has been nominated under section 146 of the Act to enjoy information rights (a Nominated Person):
 - (i) you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights (a Relevant Member) to be appointed or to have someone else appointed as a proxy for the meeting;
 - (ii) if you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights; and
 - (iii) your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

4. APPOINTMENT OF PROXIES

- (a) To be effective, the Form of Proxy and, if applicable, the authority under which it is signed must reach the Company’s Registrar, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 12 noon on 8 May 2018. The notes on the Form of Proxy explain how to direct your proxy to (a) vote on each resolution or (b) withhold their vote. Alternatively, you can complete your Form of Proxy online at www.signalshares.com by following the instructions.
- (b) The return of the Form of Proxy, or the return of any CREST Proxy Instruction (as described in Note 5 below) will not prevent you from attending the meeting and voting in person should you wish.
- (c) A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

5. APPOINTMENT OF PROXIES THROUGH CREST

- (a) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (b) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with CRESTCo’s specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent, Link Asset Services (CREST ID RA10), by 12 noon on 8 May 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (c) CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (d) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
